

Walnut Township Public Hearing

May 19, 2015

The meeting was called to order at 7:10 PM. Trustees William Yates, Doug Leith and Terry Horn were present.

The sole purpose of this meeting is to review Application 15-09 to change the property at Custer's Beach from the Classification B-2 to RMU.

There will be no decision or vote on the part of the Trustees during the Public Hearing.

The map of the parcel in the re-zoning application was made available for viewing.

Trustee Yates administered the oath to Kevin Clouse, Cecelia Smith and Daniel Zimmerman.

Kevin Clouse stated that the property owners, Daniel and Tim Zimmerman wanted to tear down and rebuild several cottages on the property. With the current commercial zoning, if the cottages are torn down, they cannot be rebuilt. The change in the zoning has been approved by the Walnut Township Zoning Commission and the Regional Planning Commission (RPC).

At 7:14 PM, with no else wishing to speak, the hearing was closed.
